Sir:-

With further reference to the examination recently given your homestead and pre-emption entries, the south half of section 8, township 6, west of the principal meridian, I am to inform you that it has been decided to cancel the said entries.

Your pre-emption patent will be withheld until you shall have complied with the settlement duties and residence required by the Dominion Lands Act, and shown by your affidavit that you have resided upon and cultivated your homestead for three years, and have erected thereon a habitable house, and have resided upon it for six months in each year during the said three years, and have cultivated fifty acres of the land, and have paid the fees and commutation money, amounting in all to $300.00, before your patent will be issued.

If you do not desire to complete your homestead entry, you may, if you prefer, surrender the same for cancellation, and in that case you will be entitled to a return of the fees paid on account of your homestead entry, but not of the commutation money.

Should you not comply with the requirements of the Dominion Lands Act within the time limited, your homestead entry will be liable to cancellation without further notice.

Sir,

I beg to inform you that a report has been received here from the Agent of Dominion Lands at Medicine Hat to the effect that you have failed to satisfy him that you were in bona fide residence on your land, the North ½ of Section 27, Township 8, Range 9, West of the Fourth Meridian, with the intention of complying strictly with the conditions of the Act in the future, as instructed in the Departmental letter sent you on the 17th October last, and your half section, therefore, is now the subject of summary cancellation.

However, as you apparently left your land prior to the receipt of the communication referred to, it has been decided to allow you a further period of thirty days within which to satisfy the local Agent of Dominion Lands for the District that you have resumed residence on either your homestead or pre-emption and will comply strictly with the regulations in the future.

The aforesaid Agent will report here at the expiration of that time, and I am to warn you that should his statement be unsatisfactory, you may forthwith lose your land.

Sir,

I beg to inform you that a report has been received here from the Agent of Dominion Lands at Medicine Hat to the effect that you have failed to satisfy him that you were in bona fide residence on your land, the North ½ of Section 23, Township 8, Range 9, West of the Fourth Meridian, with the intention of complying strictly with the conditions of the Act in the future, as instructed in the Departmental letter sent you on the 17th October last, and your half section, therefore, is now the subject of summary cancellation.

However, as you apparently left your land prior to the receipt of the communication referred to, it has been decided to allow you a further period of thirty days within which to satisfy the local Agent of Dominion Lands for the district that you have resumed residence on either your homestead or pre-emption and will comply strictly with the regulations in the future.

The aforesaid Agent will report here at the expiration of that time, and I am to warn you that should his statement be unsatisfactory, you may probably lose your land.

Ont.

Cont'd p.2.

The debtor is [illegible] years of age, is married and has a family.
The value of the farm [illegible] is given at [illegible] dollars ($1,[illegible])

I would therefore recommend the sum of one hundred and seven dollars and forty cents ($107.40) be applied to account of Seed Grain Advances and the sum of six hundred and forty-eight dollars and fourteen cents ($648.14) be applied to Joint Relief Advances and that after providing for application of these amounts the accounts be adjusted so that the indebtedness will be settled in full and the liens discharged.
